

London Bridge

Mrs. Hill's class

1. Two people make a bridge with their hands.

2. Go under the bridge in a line while you sing the song.

3. When you get to "take the key" in the song, trap the person with your arms. Swing them back and forth gently.

4. Then the person who was trapped becomes part of the bridge.

London Bridge

London Bridge is falling down,
Falling down,
Falling down.

London Bridge is falling down,
My fair lady!

Take the key and lock her up,
And lock her up.
And lock her up.

Take the key and lock her up,
My fair lady!
