TURTLE TALES

Campbell Elementary School Newsletter

Free Meals

Free Grab-N-Go meals will continue to be offered this summer at Campbell and 6 other schools on Mondays, Wednesdays, and Fridays from 11 AM-1 PM.

Summer School Update

Some students are receiving virtual summer school. If so, you have received a letter from APS. A Campbell teacher will be contacting you in July regarding summer services.

Moving?

If you are moving in Arlington or outside of Arlington, contact Dana Rodriguez at :

Registration

If you are registering a child for kindergarten or PreK in the fall you can do so electronically. There is a link on the Campbell webpage.

Summer

What Should my Child Do Over the Summer?

Students have experienced stress as we all have this year. This summer, students need time to relax, play and get outside. But it is also helpful to maintain a schedule. Some parents may want students to do 30-45 minutes a day of work to maintain skills.

- Reading books is the most important thing any child can do at home to improve their learning. The Arlington libraries are now opening. The Campbell PTA is running a virtual book fair.
- APS will continue to provide the AETV "At Home with APS" videos during the summer. They can be accessed online or on TV: <https://www.apsva.us/continuity-of-learning/at-home-with-aps-videos/>
- APS has issued summer math packets. They can be downloaded here: <https://www.apsva.us/mathematics/summer-reviews/>
- Students are still able to use Dreambox, RazKids and Reflex on APS Ipads. Digital resources are still linked from the Campbell webpage: <https://campbell.apsva.us/digital-resources/>
- Campbell teachers have been posting art challenges, STEM activities, outdoor activities on Twitter since March. This summer is a great time to go back and explore some of these hands on activities.
- Please do not allow students to play unlimited video games. If your child is not using the APS iPad for learning, please put it in a safe place until August.

Have a great summer. Hope to see you soon!
